# CATALOGUE

The working world is changing. The way we work is being re-defined virtually every day, as are our processes, and consequently the materials and equipment we use. For almost a century, DURABLE has been a reliable partner for professional products for the workplace.

We continue to honour this ambitious claim by working consistently, relentlessly and passionately on developing comprehensive concepts to support our customers in their daily work.

Our aim is to offer excellent solutions which help users to perform their daily tasks in a highly professional way and thus contribute to corporate success: today and in the future.

## DURABLE

DURABLE has a presence in more than 80 countries. In addition to the administration, logistics centres, production sites and subsidiaries presented on these pages, we also have representative offices in Poland and Russia. In many other countries, our partners are importers or distributors with whom we have been cooperating for many years.

## Spine bars and report covers

DURABLE spine bars and report covers offer simple binding of documents and loose sheets. Featured aspects of the design include rounded ends to facilitate insertion of sheets, grooved surfaces to ensure a good grip, self adhesive filing strips to fit into any folder and various capacities for different quantities of paper. Transparent and coloured covers are also available to create high quality folders.

## SPINE BARS

- Various capacities (different widths)
- Wide range of colours
- For presentations with variable numbers of pages
- For filing magazines and brochures
- Capacities calculated for standard paper, A4 format, 80g/sqm

- Each set contains: 5 coloured spine binding bars, 5 transparent and 5 coloured cover sheets

# 2942    01 black  
 1 set

**The DURABIND® method:**

The DURABIND® method:  
1. Insert the documents and staple at the four marked points.

2. Remove the protective backing from the self-adhesive strip.

3. Fold the front cover over to the left so that the adhesive strip covers the stapled edge. Press firmly in place!

4. Fold the front cover back to the right along the scored line. Repeat steps 2 and 3 for the back cover.

**DURABIND®**

- Simple and quick system for permanent binding of documents
- Transparent front cover, coloured PVC back cover and fold-out filing strip
- File in ring binders via fold-out tabs (punched: 70/80 mm)
- Capacity: 1-30 A4 sheets

# 2250      ▲ 01 black, 02 white, 06 blue, 10 grey

📦 25 per box

# Special folders and accessories

The ultimate filing accessory. A folder with 5 compartments and separate filing mechanisms facilitates clear organisation of project materials. The printable cover sheet and partly printable tabs turn these folders into a perfect document organisation tool.

## SPECIAL FOLDER

- Organisation folder with five compartments equipped with separate filing mechanisms
- A transparent front pocket enables easy labelling of the file
- Supplied with plastic tabs and labels, printed and blank insert sheets
- Can be suspended with variable suspension rail
- Professional labelling of the index sheet with free DURAPRINT® software available from [www.duraprint.eu](http://www.duraprint.eu)

**WWW.  
DURAPRINT  
.EU**

### PERSONNEL FOLDER

- Can be used as a compact, well-organised personnel file
- Pre-printed cover sheet and tabs for immediate use as a personnel file
- Back cover with inside pocket for additional unpunched documents
- Complete with suspension rail

# 2554     06 blue  
 ☞ 1 per box

# 2555     06 blue, 10 grey  
 ☞ 5 per box

### PLASTIC CLIP-ON TABS

- For attachment to suspension folders
- Supplied with blank insert labels
- 15 mm x 60mm (H x W)

# 1893     19 transparent  
 ☞ 25 per pack

### ORGANISER FILE

- Can be used as a compact, well-organised project file
- Pre-printed cover sheets and tabs for use as machine, motor vehicle or rental files

The professional way to display:

**DURAFRAME®**

THE INFOFRAME

- Present information clearly and professionally
- Quickly insert and exchange documents via a fold-back magnetic frame
- Easy to attach to common surfaces without nails, tools or holes in walls

In an era where information changes rapidly, the tools to manage this need to be user friendly and provide a hassle free solution. Bespoke sign boards and wall mounted signs can be costly, inflexible and cause damage to the surface to which they are applied. Temporary solutions such as punched pockets attached with tape look unprofessional and often detach.

**DURAFRAME® offers the ideal solution!**

The range offers numerous formats and colours to suit every purpose and area of application such as interior walls and doors, textile panels, shop windows exposed to direct sunlight and metal surfaces.

**DURAFRAME® 132–134**

**DURAFRAME® SECURITY 135**

**DURAFRAME® POSTER 136–137**

**DURAFRAME® NOTE 138**

**DURAFRAME® GRIP 139**

**DURAFRAME® SUN 140–142**

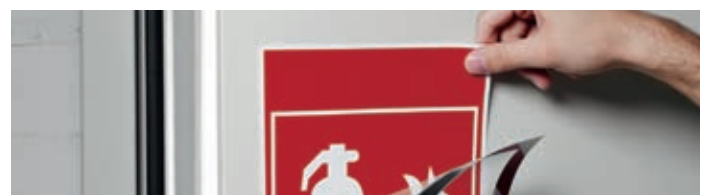

**DURAFRAME® POSTER SUN 143**

**DURAFRAME® MAGNETIC 144–145**

**DURAFRAME® MAGNETIC TOP 146**

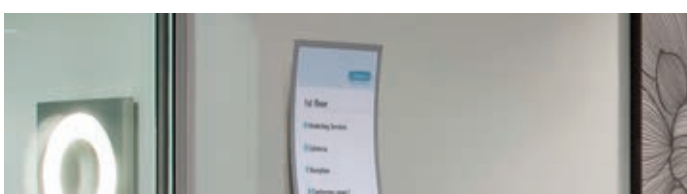

**DURAFRAME® MAGNETIC SECURITY 147**

**DURAFRAME® MAGNETIC PLUS 148**

**DURAVIEW® 151**

**Nice try**

**Well done**

The professional way to display:

**DURAFRAME®**

THE INFOFRAME

**DURAFRAME®**

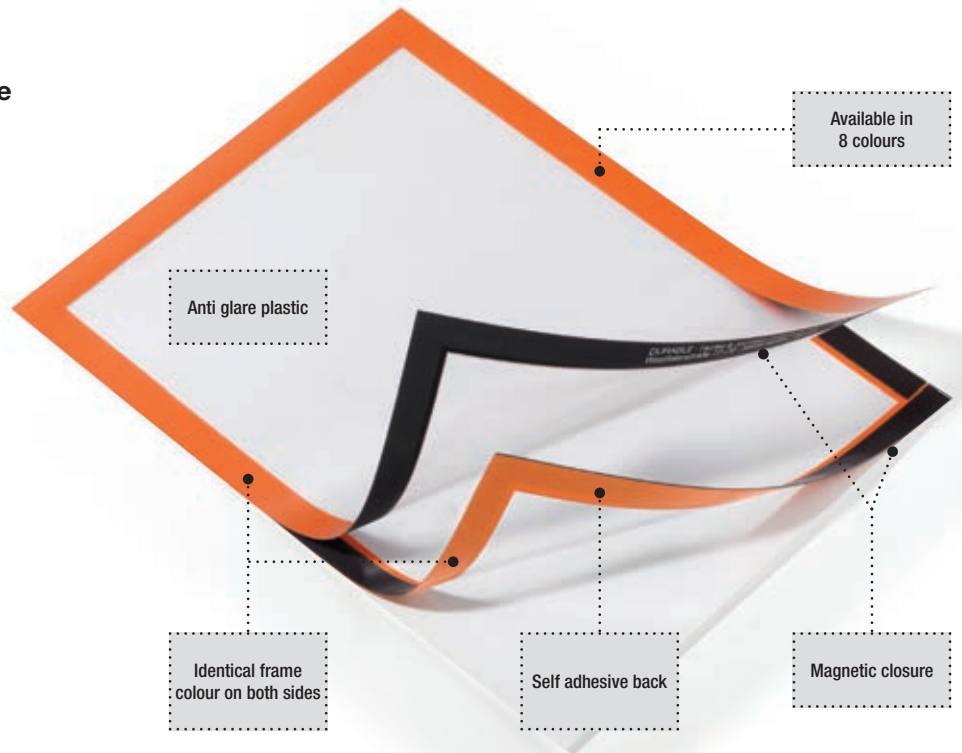

**The self-adhesive infotable for indoor applications**

DURAFRAME® is the self-adhesive infotable for the professional display of documents which can be exchanged quickly and easily and read from both sides.

DURAFRAME® stays in place on smooth indoor surfaces such as doors, cabinets, glass panes and walls and can be removed from glass without leaving a residue.

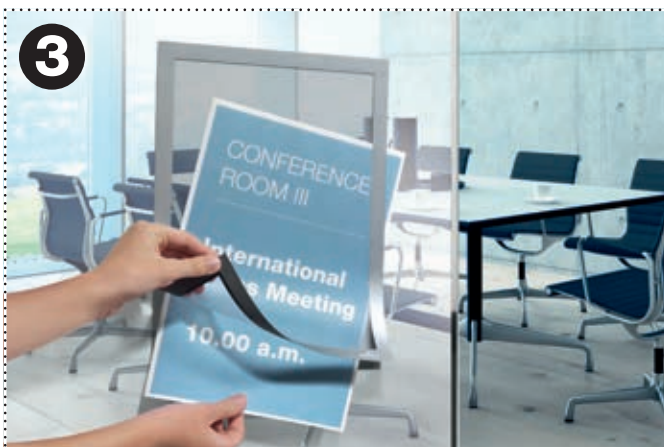

The colour of the frame is identical on both sides and can be used in either portrait or landscape format. Various sizes are available from A6 to 70 x 100 cm and 8 frame colour options.

Remove the protective film.

Attach in the desired position.

Lift the infotable and insert materials.

Simple! DURAFRAME® can be fixed on solid and smooth surfaces and can be removed from surfaces such as glass.

### DURAFRAME®

- The self-adhesive infotablet
- Areas of application: For display and presentation of information, e.g. room identification, signage and promotional offers
- Quick insertion and easy exchange of documents via a fold-back magnetic frame
- Can be fixed on solid and smooth surfaces and can be removed from surfaces such as glass
- When applied to glass, information can be read from both sides
- Frame looks identical from both sides
- For use in portrait or landscape format

# Brochure presenters

DURABLE offers three brochure presenter ranges which all boast flexibility, robust quality, timeless design and the ability to be extended. Catalogues, magazines, brochures and flyers can be presented clearly and professionally within a minimal space.

## COMBIBOXX

- Presenter system for portrait/landscape brochures in A4 and A6/DIN long formats
- Filling capacity 24 mm
- Can be used as wall or table presenters
- Extendable to approx. 6 kg load capacity
- A4 and A6/DIN long formats can be combined with each other
- Ideal for information materials at reception desks, in showrooms, in waiting areas and at trade fairs

All trays are quick and easy to clean.

### EXTENDABLE

Individual A4 and 1/3 A4 literature holders can be extended using EXTENSION units. Simply add the required number of extension units to the original literature holder, insert the front cover and lock into place.

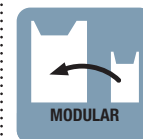

### ADAPTABLE

Whether a space saving table stand or wall mounted literature holder – the base elements simply push and lock into place to complete the unit. The table stand can be quickly converted into a wall unit by simply turning the base 180°, and vice versa to transform the wall unit to a table stand.

### MODULAR

An adapter is available to quickly and easily combine A4 and 1/3 A4 literature holders. Simply attach the required number of literature holders onto the adapter, insert the front cover(s) and lock into place.

# 8507

# 8505

With their strikingly prominent black bar and highly transparent window, SELECT name badges highlight the personalities of their wearers in a very stylish way.

# 8126

**Product advantages**

A touch of elegance through the black bar

Insert labels are protected behind the transparent window and can be exchanged quickly and easily

Sturdy material and high transparent window (# 8126)

**Applications**

- Elegant bar in a muted colour fits perfectly into the ambience of banks and insurance companies
- The slim badges (13 x 53 mm and 17 x 67 mm) can be printed with just a name
- Hardwearing, sturdy materials are ideal for long-term use
- SMARTCLIP name badges (13 x 53 mm) can also be fastened laterally on lapels, on ties, or as an image bearer on shirt collars

**Fasteners**

Magnet

Injection-moulded clip

### CLIP CARD

- Name badge with coloured frame
- With practical clip mechanism for easily exchanging inserts
- With several different fastening options

# 8133

Rounded corners and smooth transitions between the frame and the viewing window. The coloured frame sets deliberate highlights to accentuate the name.

**Product advantages**

View window of 17 x 67 mm badges with magnifying effect (# 8133)

Simple clip mechanism to fasten the viewing window

Thumb slot at the back for quick, easy exchange of insert labels

**Applications**

- With rounded corners
- Premium quality acrylic glass window (17 x 67 mm) with magnifying effect for excellent visibility of names
- The enclosing frame holds the insert label safely in place
- Badges with safety pin or combi clip fastenings are particularly useful in healthcare environments due to secure fixing to garments

Many companies and institutions including libraries, fitness clubs and organisations with security requirements need ID cards. Access cards need to be branded appropriately and protected.

## CARD HOLDERS

ID cards and security passes: individual and secure.

To meet these requirements, DURABLE offers a range of card printing machines so you can easily print just one branded card or multiple cards for use with lanyards and badgeholders.

# DURACARD

Ready-to-use card printer for quickly and easily printing ID and loyalty cards. The pack includes a YMCKO colour ribbon and 100 blank plastic cards. Print cards in colour photo quality or monochrome finishes.

Professionally design and print your own cards using our free online software DURAPRINT, available from [www.duraprint.eu](http://www.duraprint.eu).

### DURACARD ID 300

- Card printer for printing plastic cards sized 53.98 x 85.60 mm (ISO 7810, CR80)
- Printing: Colour: sublimation, monochrome: thermal transfer
- Photo-quality printing due to 260 x 300 dpi resolution
- 16 MB memory (RAM)
- Edge-to-edge colour printing with protective varnish
- USB 2.0 (USB 1.1 and 3.0 compatible)

**THE DURACARD CONCEPT**

You want to organise an event professionally? Prepare personal membership cards for your customers quickly? Print out student ID cards as plastic cards yourself? You have to wait up to two weeks for the delivery of printed plastic cards? You only need to print two to three individual cards daily, but the minimum order quantity required by your printing partner is 100 cards? Durable has the answer to your questions. Print out plastic cards quickly, easily and professionally – with the new DURACARD ID 300 card printer. Organise your plastic cards independently of advertising agencies and printers. You can reach your goal in three easy steps:

**1** Design card(s)

**2** Print card(s)

**3** Select card holder

A selection of suitable card holders

# 8187

# 8012

# 8005

For the protection of sensitive cards: the PUSHBOX card holder keeps up to three cards permanently secure and allows the removal of individual ID cards easily.

### CARD HOLDER PUSHBOX

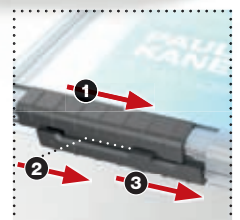

- Reliable protection from damage
- Storage of up to three cards (TRIO)
- Variable removal of individual cards with slider

#### Applications

- Particularly useful where there are several levels of security such as in airports or public buildings

# 8920

#### Card holder PUSHBOX

- Separate compartments to protect the cards
- Sliders for easy removal of individual cards
- Break-resistant attachment point
- Can be used in either portrait or landscape format
- Crystal clear plastic for easy readability
- Ideal for protecting magnetic and coded cards
- Internal dimensions: 54 x 87 mm

#### Card holder PUSHBOX with textile lanyard

- Also comes with
- Silky-soft textile lanyard
- Extra-wide snap hook made of metal
- Lanyard width: 15 mm, lanyard length: 440 mm
